

SunEpoxy & SunOne

The chemical & abrasion resistant concrete coating solutions for commercial, industrial & residential installations

SunOne & SunEpoxy Resinous flooring

SunOne - Polyaspartic Concrete Coating

The fast cure primer & finish coat for protective coating & seamless floor applications.

SunOne is ideal for projects that require completion in one day & have the elements working against them.

The **SunOne** benefits:

- Rapid curing allows projects to be done in a day
- Can be installed at surface temperatures from 20° F to 140° F...no need to postpone due to weather.
- UV stability prevents blushing or yellowing of coating.
- Stain resistant, especially from hot tire marks, oils and grease!
- Higher abrasion resistance than epoxy or urethane for greater durability & reduced maintenance.

ors...the right coating for any concrete surface.

SunEpoxy is a 2 component resinous coating with excellent adhesion and resistance to foot & vehicular traffic, harsh chemicals & everyday use.

The **SunEpoxy** benefits:

- Seamless, monolithic floor
- Low odor
- Low volatile organics (VOC)
- Withstands a wide range of elements including oils, fats and even red wine!
- Wide range of chemical, abrasion & impact resistance
- Wide array of economical resinous flooring options

Both SunOne & SunEpoxy can be varied from aggressively slip-resistant for wet areas such as showers & food preparation areas to an orange peel texture suitable for offices, hallways or laboratories.

Add SunFlek, quartz beads or SunChips, solid or multi-colored vinyl acrylic paint chips to enhance the texture as well as the aesthetics of these dynamic concrete coating solutions.

SunEpoxy & SunOne

Your garage, warehouse, bathroom, industrial kitchen, airplane hanger are all in search of the same thing...

A safe, durable, impact & chemical resistant, low maintenance & aesthetically attractive coating for their concrete floors.

With the SunEpoxy & SunOne line of resinous floor coatings, you have found the answer with a wide array of color choices, finishing options and custom designs.
